

NAME and NUMBER:

BRUCE J84006

CDC-128B

On 2-6-96, NKSP Gang Investigations completed its investigation into "S" Black Guerrilla Family Association. Bruce is not a validated member or associate of any prison gang. NKSP IGI has two points in the validation process on Bruce as a BGF Associate.

There is insufficient documentation at this time to validate Bruce with any group, except a self admitted Shoreline Crip, with an AKA: Honey Bear.

Staff should continue to monitor and document "S" gang associations.
